MVRPC is pleased to host a free training session on:

Building Interactive Reporting Web Apps Using ArcGIS Pro and ArcGIS Online

When: Tuesday, November 19th, 2024 from 8:30 a.m. to 12:00 p.m.

Location: Wright State University, Allyn Hall Room 255, Colonel Glenn Hwy, Fairborn, OH 45324

Intended Participants: This **free** advanced beginner session is **aimed at those already familiar with ArcGIS Online and/or ArcPro. (prior GIS experience required)**

An ArcGIS account with an ArcPro license is REQUIRED for this session as it is hands-on.

Instructors: MVRPC Staff

Registration: Seating is limited with only 20 seats available. Registration is required at: **https://www.mvrpc.org/data-mapping/geographic-information-systems-gis-mvrpc.** Registration is open until November 16, 2024, unless seats are filled prior. **In an effort to ensure availability of this training, we request no more than 2 people per organization.**

GOALS

Use ArcGIS Pro to publish layers & maps to ArcGIS Online (AGOL)

Create & modify web maps and apps in AGOL

Build & customize a Smartform that collects information from the field

AGENDA

Add existing layers, create new layers and work with data in your map frame

Share map to AGOL, prepare web map and app for interactive reporting

Configure Smartform fields and publish to collect the results
