Coalition

You are cordially invited to attend, "Grants and Government Funding: How to get the money you need to achieve your community's goals," a complimentary workshop focused on emerging Federal funding opportunities for local governments and agencies (including BIL, ARPA, and others), how you can best take advantage of these new opportunities, and, of course, delicious breakfast confections. Hosted by the Miami Valley Regional Planning Commission, the Dayton Development Coalition and Woolpert, this event will feature an informational workshop, breakout sessions and time for networking and Q&A.

During our workshop, we'll explore:

- Current Federal funding opportunities
- Application processes and timelines
- Tips for success
