**MIAMI VALLEY REGIONAL PLANNING COMMISSION  
TECHNICAL ADVISORY COMMITTEE  
DECEMBER 18, 2014  
MINUTES**

Paul Arnold, MVRPC  
Pete Bales, City of Fairborn  
Russell Bergman, City of Huber Heights  
Steve Bergstresser, City of Kettering  
Kaye Borchers, Choice One Engineering  
Joe Brzozowski, City of Dayton  
Ann Burns, MVRPC  
Tammi Clements, City of Dayton  
Greg Collier, ODOT District 7  
Aaron Colson, City of Dayton  
Barry Conway, City of Franklin  
Chad Dixon, City of Springboro  
Frank Ecklar, Greater Dayton RTA  
Mike Ekberg, Miami Conservancy District  
Andrew Fluegemann, ODOT District 8  
Gayle Galbraith, City of Dayton  
Robert Galvin, City of Vandalia  
Robert Geyer, Greene Co. Engineer  
James Gorman, City of Clayton  
Paul Gruner, Montgomery Co. Engineer  
Mike Hammes, City of Moraine

Laura Henry, MVRPC  
Sarah Hippensteel Hall, MCD  
Matthew Lindsay, MVRPC  
Laura Loges, MVRPC  
Brian Martin, MVRPC  
Jeff Moorman, City of Beavercreek  
Richard Norton, City of West Carrollton  
Don O'Connor, City of Fairborn  
Gerald Peters, Perry Township  
Mike Proffitt, OEPA/SWDO  
Ana Ramirez, MVRPC  
Allison Reed, Ohio EPA  
Jillian Rhoades, City of Troy  
Timothy Riordan, City of Dayton  
Jim Shoemaker, City of Dayton  
Michele Simmons, City of Dayton  
Keith Steeber, City of Dayton  
Bradley Vath, City of Tipp City  
Greg Wallace, Village of Carlisle  
John Wright, City of Brookville

**I. INTRODUCTION**

Chair Geyer called the meeting to order. Self-introductions were made.

**II. APPROVAL OF NOVEMBER 20, 2014 MEETING MINUTES**

Mr. Conway made a motion to approve minutes. Mr. Bales seconded. The motion passed unanimously.

**III. Public Comment Period on Action Items**

None

**IV. MPO (METROPOLITAN PLANNING ORGANIZATION) ACTION ITEMS**

**A. Recommended Adoption of Amendment to MVRPC's SFY2014-2017  
Transportation Improvement Program (TIP)**

Mr. Arnold referred to a memo on page 4 of the mailout explaining that numerous modifications to the programming documents for various projects has resulted in the need for a TIP amendment. He referred to the project tables for each county as well as the areawide projects.

Mr. Arnold stated that staff does recommend adoption of this TIP amendment, and referred to a resolution on page 22 of the mailout. Mr. Gruner made a motion to recommend adoption. Mr. Moorman seconded the motion. The motion passed unanimously.

## **V. INFORMATION ITEMS**

### **A. Updates to the Dayton Source Water Protection Plan**

Mr. Tim Riordan provided a summary of recent activity regarding efforts to improve and update the Dayton Water Source Protection Plan. These efforts include strengthening the plan, allow flexibility, enforce ordinances and increased fines. Mr. Riordan stated that the overall program is much stronger and provides more detailed guidance. He then introduced Ms. Tammy Clements to review the plan in more detail.

Ms. Tammi Clements, Director of the Department of Water, provided a presentation on the updates to the City of Dayton's Source Water Protection Plan. Ms. Clements stated that a review and update of the program was overdue as the program had not been updated since 1993. Also, advanced techniques for evaluating and modeling the flow of groundwater would change the delineation of the protection areas. She listed ways in which the new program would strengthen protections for source waters. The regulated areas will be updated into 2 zoning districts, plus a newly designated 5 year time of travel area and an enhanced early monitoring system of wells. Ms. Clements explained how the program will increase the prohibited land uses from 8 to 24. The program will broaden the categories of regulated substances including "emerging contaminants." The program will transfer the exemptions and appeals process to the Dayton Environmental Advisory Board. She stated that the program will raise the per-pound amount paid in the Risk Buy Down program to increase participation. The program will raise the fines for non-compliance to make them more of an incentive to participate. Ms. Clements explained how this combination of tools and approaches is expected to enhance the protection program for this drinking water source which serves 400,000 residents of the region.

The next steps for this proposal are to complete the public input process and bring the proposal before the Dayton City Commission. Once approved, the city staff will share the changes with the multi-jurisdictional partners and encourage them to adopt parallel programs in their portions of the protection area. Mr. Gruner asked if Greene County water has their own program, and Ms. Clements confirmed that they did. Mr. Wright asked how this will affect the rates, specifically the well field projection charges. Ms. Clements explained that the current rate is \$.60, and they do anticipate some increase in the surcharge, but hope the increase will not exceed \$1.00

### **B. MVRPC Capital Funding Program**

Mr. Martin provided a PowerPoint presentation regarding the Capital Funding Program. He explained that this presentation was prompted by a letter from ODOT that notified us of action taking back some MVRPC STP funding due to carry over from one year to the next. Mr. Martin provided some history on the planning process required by MPO's as well as the carryover reduction policy for STP and TA funds, which was adopted in May, 2012. He reviewed a chart which explained carryover estimates for MVRPC through 2019, as well as an additional graph illustrating MVRPC carryover –vs- carryover allowed. Mr. Martin explained a list of 5 proposed objectives that were presented to the Board to reduce carryover and keep funds in the Miami Valley Region.

At the December meeting, the Board did grant more autonomy to the Executive Director to manage budget transfers when necessary in order to risk losing these funds due to excessive carry-over. Mr. Martin assured the committee that staff will continue to monitor the status of these funds and keep them up to date.

## **VI. EXECUTIVE DIRECTOR'S REPORT**

Mr. Martin referred to his report on page 28 of the mailout, which TAC did see in advance at the November meeting. He also reported that the Toyota Prius was awarded on Saturday, December 13<sup>th</sup> as part of the Rideshare 35th anniversary celebration. The winner was a woman from Beavercreek who teaches for Dayton Public Schools. Mr. Martin noted that there was no PA system for the new room at 10 N. Ludlow, but staff is in the process of obtaining quotes to have one installed. Mr. Martin also announced that a past colleague, Bill Lewis, who works for the City of Columbus was critically injured while walking to a meeting at MORPC on Broad Street. He had young intern with him who was killed in the accident. Mr. Martin requested that we remember them in our thoughts and prayers.

## **VII. ADJOURNMENT**

Mr. Geyer made a motion to adjourn. Mr. Norton seconded the motion. The motion passed unanimously.

## MEMORANDUM

**To:** Technical Advisory Committee, Board of Directors  
**From:** MVRPC Staff  
**Date:** January 15, 2015  
**Subject:** SFY2014-SFY2017 Transportation Improvement Program (TIP) Amendment #17

Over the last few months MVRPC and ODOT have made numerous modifications to the programming documents for various projects resulting in the need for an SFY2014-SFY2017 TIP amendment. The attached TIP Tables 4.1, 4.2, 4.3 and 4.5 reflect the updated information for each specific project. A TIP terminology explanation chart of key abbreviations used in the highway/bikeway tables proceeds Table 4.1. A resolution adopting the proposed TIP amendment is attached for your review and consideration.

These TIP amendments will not affect the regional air quality emission analysis.

The MVRPC staff recommends your approval.

Attachments:

- (1) TIP Abbreviation Table
- (2) Amended MVRPC TIP tables: 4.1, 4.2, 4.3 and 4.5.
- (3) Resolution Adopting Amendments to the SFY2014-2017 TIP

## EXPLANATION OF ABBREVIATIONS USED IN TABLES 4.1 – 4.7

### **Project I.D. #**

First Three Characters  
 000 = Unique Project Number  
 Decimal Character = Subtype (as described below)  
 .1 = New Construction  
 .2 = Reconstruction  
 .3 = Resurface  
 .4 = Safety Improvement  
 .5 = Bridge Replacement/Rehabilitation  
 .6 = Signal Improvement  
 .7 = Bikeway/Pedestrian Improvement  
 .8 = Other Improvements

### **PID #**

ODOT "Project Identification Number"

### **Air Quality Status**

Identifies projects which were included  
 in the LRTP air quality conformity analysis  
 Upper Row = Project is Exempt or was Analyzed  
 Lower Row = Build Year Scenario (2015, 2020 or 2030)

### **Phase of Work**

PE -Environmental and Contract Plan Preparation  
 R -Right-of-Way Acquisition  
 C -Construction  
 SPR -Federal State Planning and Research  
 OP -Operating  
 OTH -Other

### **FUND CODES, DESCRIPTION AND TYPICAL FUNDING SPLIT**

#### **Federal Allocation of ODOT or County Engineer Association Controlled Funds**

|   | <u>Typical<br/>Fed./Local Share</u> |
|---|-------------------------------------|
| BR -Bridge Replacement and Rehabilitation                                       | 80/20                               |

**RESOLUTION AMENDING THE  
SFY2014-SFY2017 TRANSPORTATION IMPROVEMENT PROGRAM**

**WHEREAS**, the Miami Valley Regional Planning Commission is designated as the Metropolitan Planning Organization (MPO) by the Governor acting through the Ohio Department of Transportation in cooperation with locally elected officials for Greene, Miami and Montgomery Counties including the jurisdictions of Carlisle, Franklin and Springboro in Warren County; and

**WHEREAS**, the MVRPC's Board of Directors serves as the policy and decision making body through which local governments guide the MPO's transportation planning process for the Dayton Metropolitan Area; and

**WHEREAS**, all Federally funded transit and highway improvements within Greene, Miami and Montgomery County must be included in the region's Transportation Improvement Program (TIP) prior to the expenditure of Federal funds; and

**WHEREAS**, the SFY2014-SFY2017 Transportation Improvement Program was adopted on May 2, 2013; and

**WHEREAS**, MVRPC and ODOT have made numerous modifications to the programming documents for various projects resulting in the need for a SFY2014-SFY2017 TIP amendment; and

**WHEREAS**, the proposed amendment is consistent with the Region's long-range transportation plan; and

**WHEREAS**, this TIP amendment will not affect the regional air quality emission analysis of the SFY2014-SFY2017 TIP; and

**WHEREAS**, the MVRPC Public Participation Policy for Transportation Planning process allows for minor TIP amendments such as this to occur without separate public involvement meetings; and

**WHEREAS**, this amendment will result in a TIP that is in reasonable fiscal constraint

**NOW THEREFORE BE IT RESOLVED**, that the Board of Directors of the Miami Valley Regional Planning Commission hereby adopts **Amendment #17** to the SFY2014-SFY2017 Transportation Improvement Program as shown on the attached TIP Tables.

**BY ACTION OF THE** Miami Valley Regional Planning Commission's Board of Directors.

Date

## MEMORANDUM

**To:** Technical Advisory Committee, Board of Directors  
**From:** MVRPC Staff  
**Date:** January 11, 2015  
**Subject:** Draft SFY2016-2019 Transportation Improvement Program (TIP)

The Federal Highway Administration (FHWA)/Federal Transit Administration's (FTA) Statewide and Metropolitan Planning regulations require the development of both a State and Metropolitan Transportation Improvement Program (TIP). The ODOT Biennial STIP/TIP Development standard requires the submittal of Draft TIP's to ODOT Central by late February 2015.

Staff has closely coordinated the development of the Draft TIP with all project sponsors including local jurisdictions, transit operators and ODOT. Staff has scheduled a public involvement meeting to present the Draft TIP on January 22, 2015.

The TIP includes highway, bikeway and other projects which are entered into ODOT's ELLIS project tracking system which helps develop milestones and establish dates when projects will require federal funding authorizations through the STIP/TIP. Projects are entered into and tracked through ELLIS by establishing a project identification (PID) number. ODOT tracks programmed projects to ensure they meet development milestones and completion dates and so the STIP/TIP allocates federal funding as needed for preliminary engineering (ENG) Right of way (ROW) and construction (CON). For this reason ODOT requires construction projects utilizing MPO controlled funding sources to be shown in the TIP only if the project is included in ODOT's ELLIS system.

The highway/bikeway section of the Draft SFY2016-2019 TIP includes tables listing projects for each one of our three counties plus the jurisdictions of Carlisle, Franklin and Springboro in Warren County. Table 4.1 (Greene County), Table 4.2 (Miami County), Table 4.3 (Montgomery County), Table 4.4 (Warren County jurisdictions) and Table 4.5 (Areawide/Statewide and planning projects) show highway, bikeway and other improvements for which some phase of work will be advanced during SFY2016-2019. As required by ODOT, projects are sorted in the tables by the "County-Route-Section" number. Any federally funded phases of work during SFY2016-2019 must be approved by the FHWA prior to the encumbrance of federal funds. Tables 4.1 through 4.5 were developed utilizing the previous SFY2014-2017 TIP tables and have been modified to incorporate updated schedules and cost information for currently approved projects as well as all new projects.

Projects not considered to be of appropriate scale for individual identification in a given program year may be added to the STIP by statewide line item. Table 4.6 provides the current list and descriptions of projects utilizing statewide line items in MVRPC's region for SFY2016-2019. This table is provided for information only. Specific projects in this table are not included in the TIP and are not subject to TIP Amendments.

MVRPC's highway fiscal analysis is also part of the Draft SFY2016-2019 TIP and includes tables listing projects for our MPO area. Table 4.7 documents the fiscal analysis for MVRPC controlled funding sources. For the highway/bikeway program, the fiscal constraint is based upon the State's estimate of Federal encumbrances/allocations through SFY2019.

The Transit section of the TIP includes separate tables for each of the four transit entities in the region. The GDRTA, Greene CATS, Miami County Transit, and MVRPC.

A resolution adopting the Draft SFY2016-2019 TIP is attached for your review

# TRANSPORTATION IMPROVEMENT PROGRAM

State Fiscal Years 2016-2019

**DRAFT**

## EXPLANATION OF ABBREVIATIONS USED IN TABLES 4.1 – 4.8

### Project I.D. #

First Three Characters  
 000 = Unique Project Number  
 Decimal Character = Subtype (as described below)  
 .1 = New Construction  
 .2 = Reconstruction  
 .3 = Resurface  
 .4 = Safety Improvement  
 .5 = Bridge Replacement/Rehabilitation  
 .6 = Signal Improvement  
 .7 = Bikeway/Pedestrian Improvement  
 .8 = Other Improvements

### PID #

ODOT "Project Identification Number"

### Air Quality Status

Identifies projects which were included in the LRTP air quality conformity analysis  
 Upper Row = Project is Exempt or was Analyzed  
 Lower Row = Build Year Scenario (2020 or 2030)

### Phase of Work

ENG -Environmental and Contract Plan Preparation  
 ROW -Right-of-Way Acquisition  
 CON -Construction  
 SPR -Federal State Planning and Research

### LRTP Goal

G1 -Address regional transp. needs through improved planning  
 G2-1 -Encourage a stronger multi-modal network in the Region  
 G2-2 -Maintain the regional transportation system  
 G2-3 -Upgrade the regional transportation system  
 G2-4 -Incorporate regional land use strategies  
 G3 -Enhance attractiveness for future economic development  
 G4 -Encourage pursuit of alternative fuels to reduce emissions

### FUND CODES, DESCRIPTION AND TYPICAL FUNDING SPLIT

#### Federal Allocation of ODOT or County Engineer Association Controlled Funds

|  | Typical<br>Fed./Local Share |
|--|-----------------------------|
| BR -Bridge Replacement and Rehabilitation  | 80/20                       |
| EAR -Federal Earmark, Specific Source Undetermined at this Time                  | Varies                      |
| f-5307 -Urbanized Area Formula Grant   | 80/20                       |
| f-5310 -Enhanced Mobility of Seniors and Individuals with Disabilities           | 80/20                       |
| f-5337 -State of Good Repair Program   | 80/20                       |
| f-5339 -Bus and Bus Facilities Formula Program                                   | 80/20                       |

**RESOLUTION ADOPTING THE DRAFT SFY2016-SFY2019  
TRANSPORTATION IMPROVEMENT PROGRAM**

**WHEREAS**, the Miami Valley Regional Planning Commission is designated as the Metropolitan Planning Organization (MPO) by the Governor acting through the Ohio Department of Transportation in cooperation with locally elected officials for Greene, Miami and Montgomery Counties including the jurisdictions of Carlisle, Franklin and Springboro in Warren County; and

**WHEREAS**, the MVRPC's Board of Directors serves as the policy and decision making body through which local governments guide the MPO's transportation planning process for the Dayton Metropolitan Area; and

**WHEREAS**, federal and state directives require that a Transportation Improvement Program (TIP) shall be developed and updated by Metropolitan Planning organizations in cooperation with (1) state and local officials; (2) regional and local transit operators; (3) grant recipients under Section 5309 and Section 5307 of Title 49, U.S.C., and other affected transportation and regional planning and implementing agencies; and

**WHEREAS**, the Draft State Fiscal Years 2016 through 2019 Transportation Improvement Program report developed by the Miami Valley Regional Planning Commission (MVRPC), as the designated Metropolitan Planning Organization for the Dayton Metropolitan Area, is consistent with the 2040 Long Range Transportation Plan and its policies; and

**WHEREAS**, the Draft Transportation Improvement Program has been reviewed and accepted by the Technical Advisory Committee and has been coordinated with regional and local transit operators, recipients authorized under Federal Transit Acts, and with adjacent transportation planning agencies (OKI and Springfield) as well as local community officials.

**NOW THEREFORE BE IT RESOLVED**, that the Board of Directors of the Miami Valley Regional Planning Commission hereby adopts the Draft State Fiscal Year 2016 through 2019 Transportation Improvement Program; and

**BE IT FURTHER RESOLVED** that the MVRPC Board of Directors hereby recommends that the Federal Highway Administration, the Federal Transit Administration, the Ohio Environmental Protection Agency and the Ohio Department of Transportation review and comment on the Draft State Fiscal Year 2016 through 2019 Transportation Improvement Program at the earliest opportunity before the Final State Fiscal Year 2016 through 2019 Transportation Improvement Program is published in May 2015.

**BY ACTION OF THE** Miami Valley Regional Planning Commission's Board of Directors.

## MEMORANDUM

To: Technical Advisory Committee, Board of Directors

From: MVRPC Staff

Date: January 15, 2015

Subject: FY2016 Transportation and Government Services Priority Development and Advocacy Committee (PDAC) Projects

The Miami Valley Regional Planning Commission is working with other organizations throughout the Miami Valley to identify projects that may be eligible for funding. This group, the Dayton Region Priority Development and Advocacy Committee, has developed a process for soliciting projects for consideration of funding through the legislative process. Through a committee decision, the top projects are forwarded on to elected officials for deliberation.

MVRPC is the lead agency for Transportation projects, which include any surface, air, rail, transit, and pedestrian transportation-related projects. Seven FY2016 PDAC Transportation project applications, requesting \$59.1 million, were received by the deadline of November 14, 2014 (see attached Exhibit 2 and Exhibit 3).

MVRPC is also the lead agency for Government Services projects, which include any emergency services, criminal justice, first responders, community and neighborhood infrastructure and K-12 education-related projects. Four FY2016 PDAC Government Services project applications, requesting \$7.8 million, were received by the deadline of November 14, 2014 (see attached Exhibit 5 and Exhibit 6).

The Transportation and Government Services projects were evaluated by a review panel on January 14, 2015. The MVRPC Review Panel reviewed and concurred with the staff categorization of the proposed projects. The criteria used to categorize the Transportation and Government Services applications can be found at: <http://mvrpc.org/transportation/financing/pdac>.

The MVRPC Review Panel is recommending seven Transportation “Traditional” (Roadway)/“Non-Traditional” (Bikeway) projects and four Government Services projects for submittal to the Dayton Region Priority Development and Advocacy Committee in categorized order (see attached Exhibit 1). A resolution endorsing these recommendations is attached for your consideration.

The list of recommended priorities is now being sent to the MVRPC Board structure for final review and adoption and submittal to the Dayton Region Priority Development and Advocacy Committee.

FY2016 Transportation PDAC Requests**

| <b>Project Name / Description</b>  | <b>Project Sponsor</b>   | <b>Total Project Cost</b> | <b>Requested Amount</b> |
|--|--|---------------------------|-------------------------|
| <b>I-675 - Grange Hall Interchange Road Project</b><br>The proposed I-675/Grange Hall Road interchange project is in the planning stages of the modification of the I-675/Grange Hall Road interchange to upgrade the existing interchange from a partial interchange to a full interchange. Work associated with this portion of the project includes a Conceptual Alternative Study (CAS) and Interchange Modification Study (IMS), along with supplemental research and documents, for the planning portion of this modification. The upgrade for the interchange to a full interchange is needed because of congestion and the realigning of Wright Patterson Air Force Base (WPAFB) gates for Area B in the vicinity of the interchange. This has changed the traffic pattern on local roadways causing more demands on adjacent interchanges that will be reduced with the implementation of this project. | City of Beavercreek  | \$18,650,000              | \$500,000               |
| <b>I-675 - Wilmington Pike Interchange</b><br>This project provides interchange modifications to increase the capacity of Wilmington Pike and the existing I-675 ramps. Significant development of the first phase of a hospital and medical campus is complete with anticipate future expansion. The initial phase of a major retail, commercial and residential development is underway with continued preliminary planning for additional phases adjacent to the interchange. With current development underway and anticipated development plans, the transportation infrastructure will require expansion to protect the health, safety and welfare of all users.   | City of Centerville  | \$30,000,000              | \$6,000,000             |
| <b>Interstate 70 Widening in Clark County</b><br>The project will construct a third travel lane in each direction on Interstate 70 in Clark County from the US Route 68 interchange to the State Route 72 interchange. The project includes the replacement of three pairs of mainline bridges, replacement of one culvert, and the installation of cable guardrail in the median. Once completed, the roadway section will consist of three 12' lanes and a 12' inside and outside shoulder in each direction.  | Clark County-Springfield Transportation Coordinating Committee | \$48,440,000              | \$40,300,000            |
| <b>Mound Connector Project</b><br>The Mound Connector Project will upgrade the final segment of roadway improvements included in the Austin Interchange Infrastructure Plan on the west side of I-75 by upgrading (1) Miamisburg-Springboro Pike (a Montgomery County road) from Medlar Road to Benner Road and (2) Benner Road (a local road within the City of Miamisburg & Miami Township) from Miamisburg-Springboro Pike to Dayton-Cincinnati Road, and (3) a small portion of Dayton-Cincinnati Pike to the new entryway to the Mound. This request is to (1) advance the preliminary engineering of the Mound Connector Project of the Miamisburg-Springboro Road portion through the project's NEPA release and (2) conduct early right of way acquisition from at least one property owner affected by the project.   | City of Miamisburg   | \$15,200,000              | \$2,700,000             |
| <b>South Tech Business Park Trail</b><br>The construction of a Bike/ Pedestrian Trail connecting State Route 741 in Southern Montgomery County to Austin Road at the I-75 Interchange area to the River Corridor Trail to the Great Miami Trail. The connection through the South Tech Business Park will be via a 30' conservation easement within the zoning code of the City of Springboro.   | City of Springboro   | \$369,900                 | \$225,000               |
| <b>The Dayton Multi-Modal Rail Extension Project</b><br>The Dayton Multi-Modal Rail Extension Project that will extend freight rail service from a CSX mainline located east of I-75 to (1) industrial zoned land on the east side of I-75 and (2) across an existing rail bridge over I-75 to industrial land & facilities located to the north & west of the Dayton International Airport. The overall project is currently a Tier-2 TRAC project. Phase 1 (East) of the overall project addresses the reconstruction of approximately 2 miles of existing rail spur on land owned by CSX on the east side of I-75 from the CSX north-south mainline to the bridge over I-75. This request applies to the construction of the east side of the project.  | Montgomery County TID  | \$3,750,000               | \$1,350,000             |
| <b>US 35 Interchanges, Greene County Beavercreek, OH</b><br>This project is for the purpose of providing the completion of the right-of-way acquisition phase for the project to eliminate the last remaining at grade intersections on US 35 between Dayton and West Virginia. The elimination of the intersections and the replacement with interchanges will improve air quality, decrease a major Miami Valley congestion point, improve safety, and provide access to the Dayton region for economic development.   | Greene County Commissioners/City of Beavercreek                | \$114,700,000             | \$8,000,000             |
| <b>Total</b>   |  | <b>\$231,109,900</b>      | <b>\$59,075,000</b>     |

## **FY2016 REVIEW PANEL** **TRANSPORTATION PROJECT SUMMARIES**

### **I-675 - Grange Hall Interchange Road Interchange Project**

The proposed I-675/Grange Hall Road interchange project is in the planning stages of the modification of the I-675/Grange Hall Road interchange to upgrade the existing interchange from a partial interchange to a full interchange. Work associated with this portion of the project includes a Conceptual Alternative Study (CAS) and Interchange Modification Study (IMS), along with supplemental research and documents, for the planning portion of this modification. The upgrade for the interchange to a full interchange is needed because of congestion and the realigning of Wright Patterson Air Force Base (WPAFB) gates for Area B in the vicinity of the interchange. This has changed the traffic pattern on local roadways causing more demands on adjacent interchanges that will be reduced with the implementation of this project.

### **I-675 - Wilmington Pike Interchange**

This project provides interchange modifications to increase the capacity of Wilmington Pike and the existing I-675 ramps. Significant development of the first phase of a hospital and medical campus is complete with anticipated future expansion. The initial phase of a major retail, commercial and residential development is underway with continued preliminary planning for additional phases adjacent to the interchange. With current development underway and anticipated development plans, the transportation infrastructure will require expansion to protect the health, safety and welfare of all users.

### **Interstate 70 Widening in Clark County**

The project will construct a third travel lane in each direction on Interstate 70 in Clark County from the US Route 68 interchange to the State Route 72 interchange. The project includes the replacement of three pairs of mainline bridges, replacement of one culvert, and the installation of cable guardrail in the median. Once completed, the roadway section will consist of three 12' lanes and a 12' inside and outside shoulder in each direction.

### **Mound Connector Project**

The Mound Connector Project will upgrade the final segment of roadway improvements included in the Austin Interchange Infrastructure Plan on the west side of I-75 by upgrading (1) Miamisburg-Springboro Pike (a Montgomery County road) from Medlar Road to Benner Road and (2) Benner Road (a local road within the City of Miamisburg & Miami Township) from Miamisburg-Springboro Pike to Dayton-Cincinnati Road, and (3) a

small portion of Dayton-Cincinnati Pike to the new entryway to the Mound. This request is to (1) advance the preliminary engineering of the Mound Connector Project of the Miamisburg-Springboro Road portion through the project's NEPA release and (2) conduct early right of way acquisition from at least one property owner affected by the project.

### **South Tech Business Park Trail**

The construction of a Bike/ Pedestrian Trail connecting State Route 741 in Southern Montgomery County to Austin Road at the I-75 Interchange area to the River Corridor Trail to the Great Miami Trail. The connection through the South Tech Business Park will be via a 30' conservation easement within the zoning code of the City of Springboro.

### **The Dayton Multi-Modal Rail Extension Project**

The Dayton Multi-Modal Rail Extension Project that will extend freight rail service from a CSX mainline located east of I-75 to (1) industrial zoned land on the east side of I-75 and (2) across an existing rail bridge over I-75 to industrial land & facilities located to the north & west of the Dayton International Airport. The overall project is currently a Tier-2 TRAC project. Phase 1 (East) of the overall project addresses the reconstruction of approximately 2 miles of existing rail spur on land owned by CSX on the east side of I-75 from the CSX north-south mainline to the bridge over I-75. This request applies to the construction of the east side of the project.

### **US 35 Interchanges, Greene County Beavercreek, OH**

This project is for the purpose of providing the completion of the right-of-way acquisition phase for the project to eliminate the last remaining at grade intersections on US 35 between Dayton and West Virginia. The elimination of the intersections and the replacement with interchanges will improve air quality, decrease a major Miami Valley congestion point, improve safety, and provide access to the Dayton region for economic development.

**RESOLUTION APPROVING THE  
REVIEW PANEL CATEGORIZATION FOR THE FY2016 PRIORITY DEVELOPMENT AND  
ADVOCACY COMMITTEE (PDAC)  
TRANSPORTATION AND GOVERNMENT SERVICES PROJECTS**

**WHEREAS**, the Miami Valley Regional Planning Commission is designated as the Metropolitan Planning Organization (MPO) by the Governor acting through the Ohio Department of Transportation in cooperation with locally elected officials for Greene, Miami and Montgomery Counties including the jurisdictions of Carlisle, Franklin and Springboro in Warren County; and

**WHEREAS**, MVRPC's Board of Directors serves as the policy and decision making body through which local governments guide the MPO transportation planning and programming process; and

**WHEREAS**, the Dayton Region Priority Development and Advocacy Committee has asked MVRPC to serve as the lead agency for the Transportation and Government Services Review Panel of the Dayton Region Priority Development and Advocacy Committee; and

**WHEREAS**, The Dayton Region Priority Development and Advocacy Committee requires the Transportation and Government Services Review Panel to evaluate all eligible projects submitted within the region according to their priorities; and

**WHEREAS**, MVRPC staff, the Transportation and Government Services Review Panel, and the Technical Advisory Committee have reviewed the list of MVRPC area FY2016 PDAC applications based upon MVRPC Transportation and Government Services project evaluation criteria and recommends the endorsement of Exhibit 1.

**NOW, THEREFORE, BE IT RESOLVED**, that the Board of Directors of the Miami Valley Regional Planning Commission hereby adopts the FY2016 recommended list of Transportation and Government Services projects as shown in Exhibit 1 and submits the adopted project list to the Dayton Region Priority Development and Advocacy Committee for further consideration.

**BY ACTION OF THE** Miami Valley Regional Planning Commission's Board of Directors.

## **January 8, 2015 EXECUTIVE DIRECTOR'S REPORT**

### 1. 2015: A year of Federal and State Transportation Budget Actions

With a greater majority in the House of Representatives and new majority in the Senate, the 114th Congress will have the opportunity to either continue the currently inadequate funding levels or strengthen Federal transportation policy for many years to come. Due to the current funding bill expiring in May and fuel costs dropping to near \$2.00 per gallon, many feel emboldened to increase the federal gas tax as the source of new funding to restore the Highway Trust Fund and fund a new longer term surface transportation bill. Not unlike previous years, there are groups of Congressmen and Senators coming together to sponsor like-minded proposals that may eventually become the law of the land.

Much work needs to be done and funding provided according to the American Association of State Highway and Transportation Officials (AASHTO) and the American Public Transportation Association (APTA). These organizations jointly released the 2015 Bottom Line Report, which estimates that annual roadway and bridge needs total \$120 billion and public transportation needs total \$40 billion per year over the next 6 years. Currently, \$83 billion is invested in roads and bridges and \$17 billion in public transit each year. These investment needs are calculated based on an analysis of demand trends and current network performance. We are also closely monitoring preparations for the Governor's budget.

### 2. MVRPC Recommended CMAQ Projects Approved Total \$9.9 Million

The Ohio Association of Regional Councils (OARC) committees, made up of staff from the 8 large regions in Ohio, adopted a \$133 million slate of projects that relieve congestion and improve air quality in these regions throughout Ohio. At the request of ODOT Director Jerry Wray, OARC's listing includes several traffic signalization, transit, roadway intersection, bicycle, and pedestrian projects. For the Miami Valley Region, funding was secured for the 9 projects approved by the MVRPC Board of Directors last April. All project sponsors have been notified.

The Region was ably represented by Ana Ramirez and Paul Arnold from MVRPC staff along with the Executive Director. The projects are located in the following Ohio regions as defined by the following major cities: Cleveland, Cincinnati, Columbus, Dayton, Akron, Toledo, Youngstown, and Canton.
