MEMORANDUM

To: Technical Advisory Committee, Board of Directors

From: MVRPC Staff

Date: November 11, 2024

Subject: Adoption of Resolution Supporting the IIJA Safety Performance Management Targets

The Infrastructure Investment and Jobs Act (IIJA) continues to place emphasis on the performance management approach first specified in the Moving Ahead for Progress in the 21st Century Act (MAP-21). It requires state DOTs, transit agencies, and MPOs to establish performance and outcome-based programs in several national priority areas.

While the various rules have different deadlines, generally, after a state DOT adopts targets for a particular rule, MPOs have 180 days from the date targets are established by a state to adopt their own targets or support the state's. The MPO deadline for adopting safety performance measure targets is February 26, 2025. MVRPC has decided to support the State's targets for the safety measures. Safety measures apply to all public roads and are adopted annually.

Exhibit 1 summarizes the safety measures and targets including the impact that a 2% annual reduction goal would have in the MVRPC area. The 2% reduction for CY 2025 maintains the rate adopted in CY 2024 due to Governor DeWine's focus on safety and associated increases in funding.

A resolution to support the IIJA safety performance management targets as established by ODOT is attached and staff recommends its adoption.
